Hello Cast and Crew of **KiliKatZ** 2009

Firstly, the directors would like to say well done on your show of commitment so far and we challenge you all to continue with a passion as we head into our last few weeks of rehearsals so that we create a **magnificent** performance which shows ISM at its best!

Here is the final timetable for you to share with your parents and pin up on your bedroom wall fridge or forehead.

Please note that all rehearsals are compulsory in order to make **KiliKatZ** a success. We understand that there are OP trips that clash with rehearsals. Please let us know in advance which dates you will be absent and enjoy the OP trip. Please sing your lines LOUDLY as you climb those mountains. Who knows, there might be some talent spotters up there and your future career as an idol could be launched!

**Please note that all costumes need to be ready by Nov 21<sup>st</sup>.**

We will only be able to put on this show with your cooperation with costumes.
